

# Pitchaya Norkham

U15 2 Outram Street, West Perth, WA 6005

Architectural Draftsperson with over two years' experience in residential and hospitality projects, specializing in ArchiCAD. Skilled in producing detailed design and construction documentation from concept to as-built handover. Recognized for solving design issues that reduce rework and delays, and for refining residential base model designs that balance style with construction efficiency. Recently relocated to Perth, holding a positive VETASSESS assessment and building expertise in NCC, R-Codes, and WA council approvals.
